

## WHITTIER WOOD'S NEWER BRYCE COLLECTION

A chic modern look featuring an eclectic mix of sophisticated materials. Slender brass trim and accents are an eye-catching counterpoint to the naturally rich grain of American Black Walnut. Solid American Alder block legs and drawer pulls in a darker finish enhance the modern look. Rounded corner details throughout the collection accentuate the sleek silhouettes.

### Features:

Ridgeline finish.

Made of American Alder and Black Walnut hardwoods.

Brushed brass accents.

Mortise and tenon joinery combined with fluted wood dowel joinery for strength and stability.

Full extension ball bearing drawer slides.

English dovetail drawer construction on each corner of every drawer.

Fitted back adds structural strength.

Dust bottoms on all case pieces.

Adjustable levelers.

Chests and dressers include anti-tip safety mechanism to reduce the risk of furniture tip-over.
